History

The Louisville Pipe Band's primary goal is to foster the understanding and appreciation of Celtic music.

Since its formation in the mid-1970s, the band has established itself as Kentucky's pre-eminent piping and drumming group.

In 2000, the Louisville Pipe Band was designated as Kentucky's state pipe band and the band traveled to Scotland to compete in the World Pipe Band Championships.

The Louisville Pipe Band is a member in good

standing of the Eastern United States Pipe Band Association, Ohio Valley Branch. It is a charitable non-profit corporation and it is financially

sustained by performance fees, private donations, and corporate sponsorships to facilitate teaching programs and travel to competitions.

Join

The Louisville Pipe Band is dedicated to furthering Celtic arts and traditions of piping and drumming through performances, competitions, instruction, and education. Our members are united by an appreciation of piping and drumming. Membership is open to all who share this sentiment.

The band makes the effort to tailor programs to meet the needs and abilities of those interested in learning to play the great Highland bagpipe or Scottish side drum (snare),

tenor drum or bass drum. While instruction is free for a time, students are asked to purchase those items to help them on their way to performing on the large instruments.

The band rehearses on most Sundays at Hopewell Baptist Church, 4305 Hopewell Road, Jeffersontown, KY 40299.

Please email us at info@louisvillepipeband.org because there are Sundays we do not rehearse following Saturday performances.
